

Quality Policy:

- Consistently meeting or exceeding our customer's expectations for product quality and performance
- Timely delivery of products to meet our customer's requirements
- Continuous improvement of our processes, and systems
- Ensuring our personnel are properly trained so they are better able to serve our customers

Quality Objectives:

Top Management ensures that quality objectives, including those needed to meet requirements for product, are established at relevant functions and levels within the organization. The quality objectives shall be measurable and consistent with the quality policy. These objectives are set each year based on customer requirements and process improvement projects that are a component of a greater overall organizational continuous improvement policy.
